PARALYZED VETERANS YOU

THE VALUE OF PARTNERSHIP

PARALYZED VETERANS & YOU 2017
Paralyzed Veterans of America

Since 1946
Dear Friends,

The milestones you will find in this booklet are some of those accomplishments, and each of them is a testament to the support you have provided Paralyzed Veterans. It is essentially a rather lengthy thank you card, because we could not provide our veterans access to quality health care, life-sustaining jobs and the benefits they've earned and deserve without each of you.

Sincerely,

David Zurfluh
National President

Sherman Gillums, Jr.
Executive Director

Thanks to you...
Our vocational rehabilitation program, Paving Access for Veterans Employment (PAVE) provides one-on-one career counseling and assistance to veterans and their families.

Paralyzed Veterans leads adaptive sports and recreation programs nationwide to support physical and mental wellness through active lifestyles.
Nearly 600 veterans compete in the National Veterans Wheelchair Games each year.
World War II veterans established Paralyzed Veterans 71 years, and the organization continues to support veterans with medical research, advocacy and civil rights for all people with disabilities.
Thanks to your support, veterans with spinal cord injury and disease have partners for life.

The Jeffrey Carlton Charitable Foundation will provide Paralyzed Veterans with at least $50 million to assist in expanding our mission for all veterans. This is the largest donation in Paralyzed Veterans’ history.
### Paralyzed Veterans FY15/16 Financials

Programs and services lay at the core of what Paralyzed Veterans of America does as a champion for veterans with spinal cord injuries and diseases (SCI/D). Investing in advocacy, sports and recreation, research, public education and outreach enables us to provide life-sustaining programs to all veterans, their families and caregivers free of charge.

Fundraising for these programs and services is critical to our nearly 18,000 SCI/D veteran members, and the greater disability community.

Paralyzed Veterans, a congressionally chartered veterans service organization founded in 1946, has developed a unique expertise on a wide variety of issues involving the special needs of our members – veterans of the armed forces who have experienced spinal cord injury or disease.

Paralyzed Veterans will use that expertise to be the leading advocate for:

- Quality health care for our members
- Research and education addressing spinal cord injury and disease
- VA benefits available as a result of our members’ military service
- Civil rights and opportunities that maximize the independence of our members
