By Women, For Women

They're service members, family members, caregivers, and so much more.

We're celebrating women who give their all, so they can turn their dreams into reality.

The PVA Women Veterans Empowerment Retreat is an all-expenses-paid retreat that focuses on the holistic well-being of women veterans with disabilities. This immersive and outcomes-driven experience – limited to just 60 attendees – will empower these women to navigate the unique challenges of their everyday lives ... and flourish.

Celebrating Women

Participants will enjoy four days of learning and community-building in an inclusive and supportive environment. PVA is assembling a line-up of experts and thought leaders to provide education on topics including:

- Whole health – mind, body, and spirit
- Independent living
- Financial security
- Nutrition
- Finding meaningful employment
- Accessing VA benefits
- Women's health

Women veterans with disabilities will leave this event with the information and tools they need to be UnstoppABLE at home, at work, and in life.
