

AIR TRAVEL TIPS

For Wheelchair Users

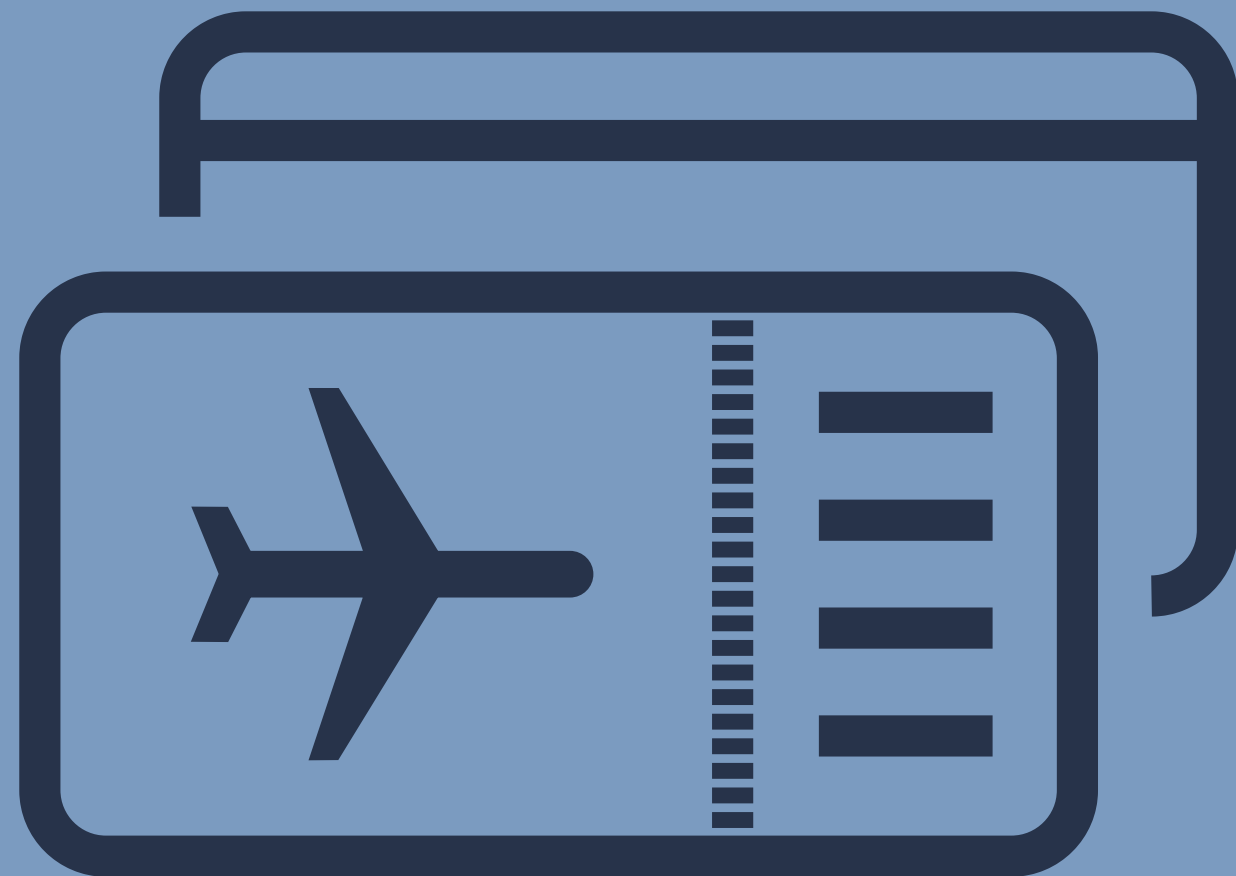

Know Before You Go

Buying Your Ticket

Inform the airline of any needed assistance and details about your mobility device.

Air Travel Tips

The Day Before

Write instructions for stowage of your device and review the Airline Passengers with Disabilities Bill of Rights.

Air Travel Tips

At Check-In

**Inform the airline
of any assistance
needed to board
the plane.**

Air Travel Tips

At Security

Tell TSA agents about sensitive areas and any medical equipment.

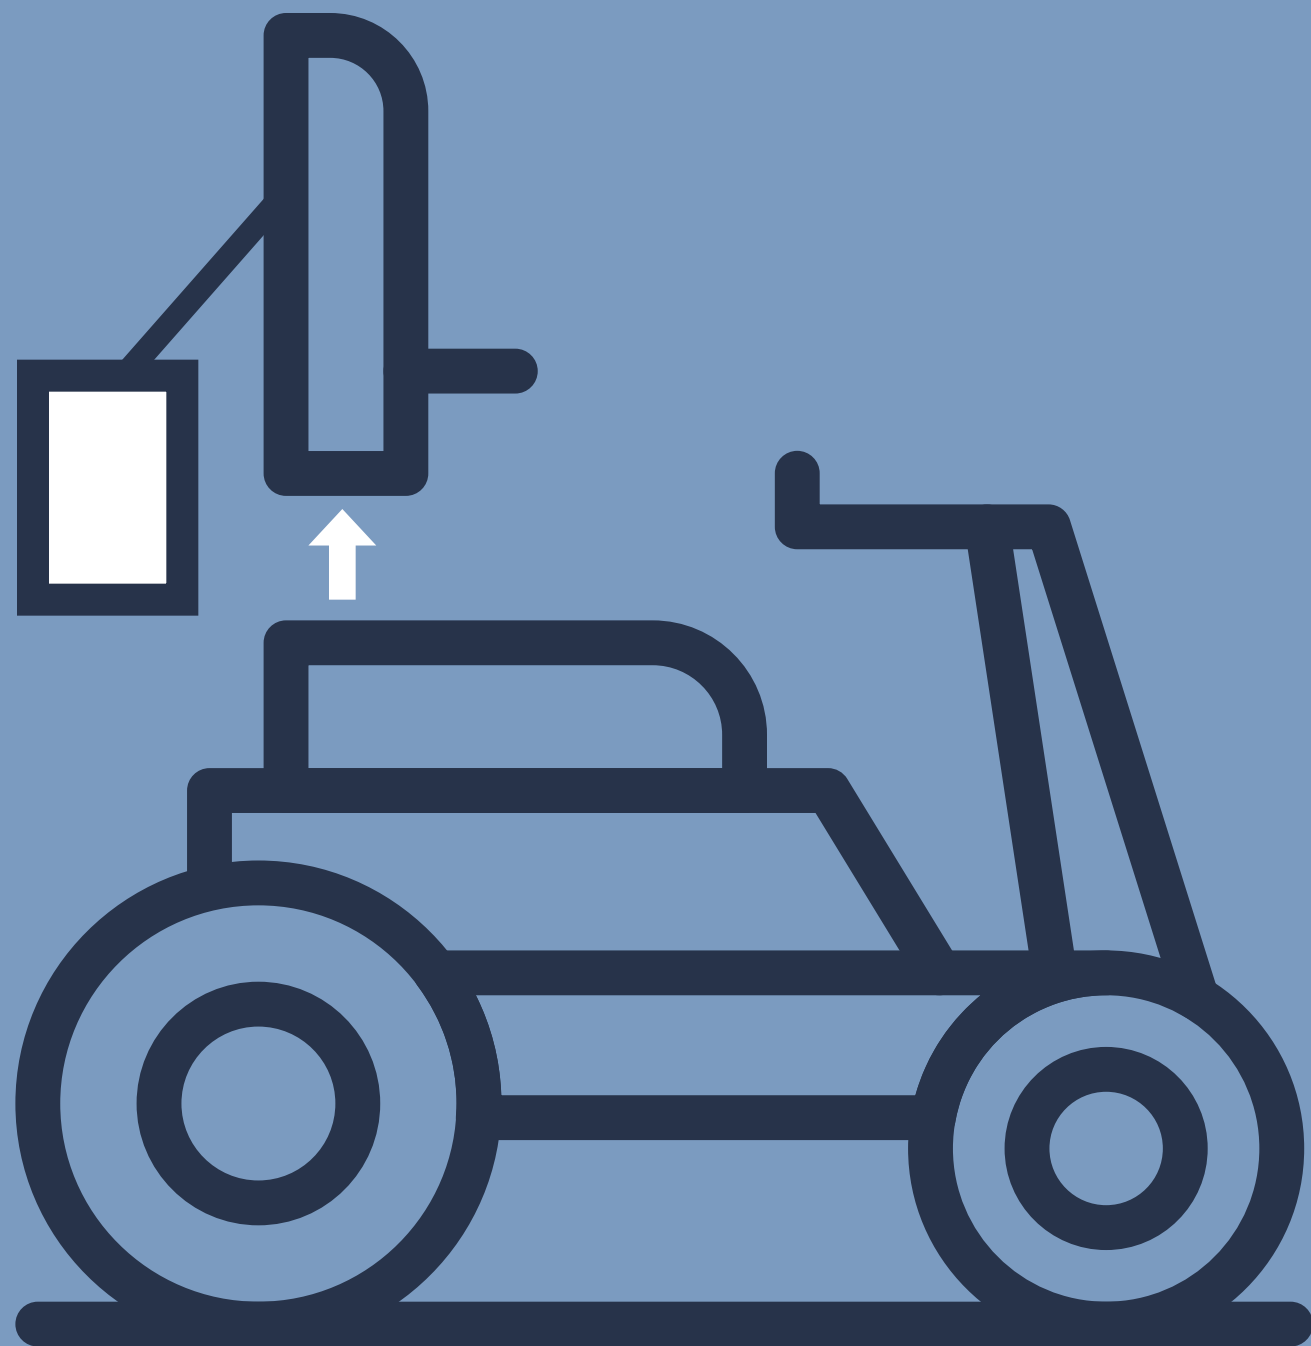

Air Travel Tips

At the Gate

Take any removable parts off your device and ensure they are tagged for return.

Air Travel Tips

Exiting the Plane

Inspect your device and report any damage immediately.
