

CELEBRATING VETERANS DAY

On November 11, the nation will honor the men and women who have served in the United States' military. Did you know? Veterans Day was originally celebrated to mark the anniversary of the armistice between the Allies of World War I and Germany. The observance was renamed Veterans Day in 1954. Be sure to honor those who served by attending a local ceremony on November 11 this year!

Are you a NASCAR fan? From now until November 6th, Team Penske drivers Joey Logano, Ryan Blaney, and Austin Cindric will be competing to fundraise for PVA. Support your favorite driver and paralyzed Veterans with a **donation** today.
