

From the bedside to the transition home and beyond, PVA fights for catastrophically disabled veterans, their families and caregivers at every twist and turn along their life journey. PVA advocates before Congress to ensure their claims are filed, their benefits are secured, and that they receive specialized, veteran-centric health care. PVA also works to ensure our members' voices are heard year-round and that they are given equitable access to meaningful careers, adaptive housing and automobile grants, accessible communities, assisted reproductive technologies, and more. And when a veteran has passed on, PVA works to ensure their families are taken care of.
