

HONORING THE FLAG. HONORING THOSE WHO SERVED.

The American flag represents the sacrifice and service of the men and women who defended our country. Displaying it properly is one way to show them respect. Below are simple guidelines to help you care for and fly your flag throughout the year.

FLAG ETIQUETTE

- ★ Never allow the flag to touch the ground or any other object while on display.
- ★ Salute the flag as it is hoisted and lowered during the playing of the National Anthem, and while saying the Pledge of Allegiance. Stand at attention with your right hand over your heart and your hat removed.
- ★ Display the flag outdoors only between sunrise and sunset, unless it is spotlighted.
- ★ When displaying the flag indoors, always position it to the right of a speaker or staging area.
- ★ To place a flag at half-staff, hoist it to the peak for an instant before lowering it to a halfway position.

Flying the flag on days of national remembrance is a meaningful way to honor those who served.
